To the holders of ordinary shares

Notice of the seventh Annual General Meeting of Polar Capital Global Financials Trust plc (the 'Company')

Dear Shareholder

Following the completion of the General Meeting and the recent Tender Offer to Shareholders I have pleasure in confirming that the Company's seventh Annual General Meeting ('AGM') will be held at 12.30pm on Thursday, 28 May 2020 at the Company's registered office, 16 Palace Street, London SW1E 5JD. Enclosed with this letter are your formal notice of AGM ('Notice of AGM') set out on pages 5 and 6 of this document and a proxy card.

The health and welfare of the Company's Shareholders and wider stakeholders continues to be our number one priority. Due to the extended nature of the UK Government's social distancing measures in connection with the COVID-19 pandemic, the Company continues to monitor the situation in respect of gatherings of individuals and the restrictions placed on the movements of any and all individuals.

The AGM ordinarily provides an opportunity for your Directors to meet with you, to provide a presentation from the investment managers and to answer your questions. However, due to the restrictions, it is not possible to provide this level of interaction this year. Therefore, as we did so for the recent General Meeting we have arranged for a quorum to be present in person at the Meeting and hereby notify Shareholders that anyone seeking to attend the Meeting in person will be refused entry. In this regard the Meeting is being held as a 'closed door' meeting.

We continue to value Shareholder engagement, and to facilitate such, any specific questions on the business of the Annual General Meeting and Resolutions being proposed can be submitted by e-mail in advance of the Meeting to cosec@polarcapital.co.uk (subject marked 'PCFT_Company Secretary_AGM'). Questions deemed appropriate and relevant will be posted to the website along with their associated answers as soon as possible following receipt and, where questions are provided by close of business on 25 May 2020, we will endeavour to upload and respond to those questions in advance of the Meeting.

We encourage all Shareholders to cast their votes by proxy and to appoint the Chairman of the Meeting as their proxy holder. You can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the Notice of AGM.

The purpose of this letter is to explain the business to be considered at the AGM.

Resolution 1 – To receive the Annual Report and Audited Financial Statements

The Annual Report and Audited Financial Statements for the year ended 30 November 2019 will be presented to the AGM. The Annual Report was sent to Shareholders on 13 March 2020 and is available from the Company's website. Shareholders are invited to submit questions on the Annual Report and Financials Statements by email as detailed above.

Resolutions 2 and 3 – Directors' Remuneration Policy & Remuneration Implementation Report (pages 37 to 41 of the Annual Report)

Resolution 2 seeks Shareholder approval to renew the forward-looking Remuneration Policy which lasts for up to three years. The current Policy was approved by Shareholders at the 2017 AGM and will expire on 30 November 2020 unless renewed. The Policy being proposed has not changed materially from that which was approved in 2017 but has been updated to reflect changes to the AIC Code of Corporate Governance, the enactment of the EU Shareholder Rights Directive II and to include reference to additional payments Directors may receive for services beyond their ordinary duties (per the Company's Articles of Association). In such instances, the Board will provide the details of the events, duties and responsibilities that gave rise to an additional payment in the Remuneration Implementation Report. If approved by Shareholders, the Remuneration Policy will remain in force until 30 November 2023.

Resolution 3 seeks approval, on an advisory basis, of the Remuneration Implementation Report, which looks back at the remuneration of the Directors for the year ended 30 November 2019.

Resolutions 4 to 7 – Directorate

In accordance with the AIC Code of Corporate Governance, it is recommended that all Directors retire annually and, with the support of the Board, stand for re-election annually. Biographies of each of the Directors can be found on pages 26 and 27 of the Annual Report. The Board has confirmed, following a performance review that the Directors standing for re-election continue to perform effectively and demonstrate commitment to their roles. Simon Cordery will stand for election, with the AGM being the first since his appointment as a Director on 1 July 2019.

Resolution 8 – Dividend Policy

The Company will aim to pay two interim dividends in respect of each full financial year. The rate for the first full financial year was 3.1 pence per Ordinary Share, the Company has, and aims to continue to increase the dividend progressively thereafter. This is however a target only and not a profit forecast and there can be no assurance that it will be met. The interim dividends will not necessarily be of equal amounts because the dividends from the Company's underlying investments are expected to arrive irregularly throughout the financial year.

Resolutions 9 and 10 – Re-appointment of Auditors and Auditors' Remuneration

Resolution 9 relates to the re-appointment of PricewaterhouseCoopers LLP as the Company's independent auditors to hold office until the next Annual General Meeting of the Company.

Resolution 10 authorises the Directors to determine the remuneration of the Auditors.

Resolution 11 – Allotment of Shares

Resolution 11 deals with the Directors' authority to allot ordinary shares. At last year's Annual General Meeting, the Directors were given authority to allot ordinary shares in the capital of the Company up to a maximum nominal value of £1,013,875, representing approximately 10 per cent of the Company's issued ordinary share capital. The Company did not allot any ordinary shares in the period from 30 November 2018 up to and including 5 May 2020.

Resolution 11 will, if passed, renew the authority to allot ordinary shares given to the Directors on broadly the same terms in respect of 12,327,076 ordinary shares with a nominal value of £616,354 representing approximately 10 per cent of the Company's issued ordinary share capital on 5 May 2020. Unless renewed or revoked earlier, the power will last until the end of the next AGM of the Company.

Resolution 12 – Disapplication of Statutory Pre-emption Rights

Resolution 12 will give the Directors power to allot ordinary shares pursuant to the authority granted under **Resolution 11** for cash without, in certain circumstances, being required to comply with the pre-emption rights in the Act. In particular, this power will permit the Directors to allot in aggregate ordinary shares up to a maximum nominal value of £616,354 representing approximately 10 per cent of the issued ordinary share capital of the Company as at 5 May 2020 for cash otherwise than in connection with an offer to existing Shareholders. This authority also permits the Directors to sell any such shares held in treasury. Unless renewed or revoked earlier, the authority conferred by **Resolution 12** will expire upon the expiry of the general authority conferred in **Resolution 11**. As with **Resolution 11**, the terms of **Resolution 12** are broadly the same as the existing authority.

The Directors' policy on the issue of new ordinary shares is for the net issue price (after an allocation of costs) to be above the fully diluted Net Asset Value ('NAV') per share. The Directors consider that renewing the Company's share allotment authority to a limited extent and disapplying pre-emption rights in respect of such allotment is advantageous for Shareholders on the basis that (a) any ordinary shares issued for cash will be at a price that will be in excess of NAV and should therefore enhance NAV for existing Shareholders (over the longer term); (b) a larger capital base should result in a lower ongoing charges ratio for the Company because of the fixed element of cost; and (c) the increased number of ordinary shares should improve their liquidity. The Directors further believe that having the ability to ensure a ready supply of ordinary shares to the market should assist in avoiding the creation of an excessive and unsustainable premium over NAV, which could increase the risks for new investors.

Resolution 13 – Authority to make Market Purchases of Ordinary Shares

Resolution 13 renews the authority granted to the Company to buy back its own ordinary shares in the market as permitted by the Act.

The Company was given authority to make market purchases of up to 14.99 per cent of the Company's ordinary share capital at last year's AGM. The Board wishes to renew this authority so that the Company will retain the flexibility to make market purchases of its own shares where the Board considers it desirable to do so.

The Company bought back 345,000 ordinary shares under the authority granted at the AGM held in 2019 in the period from 30 November 2018 up to and including 5 May 2020. Under the terms of the Tender Offer to Shareholders dated 12 March 2020 and the separate authority granted at the General Meeting held on 7 April 2020, the Company bought back an additional 79,159,235 ordinary shares.

The Directors believe that to make such purchases of ordinary shares in the market at appropriate times and prices is a suitable method of enhancing Shareholder value. Where the purchases of ordinary shares are made at prices below the prevailing NAV per share, this will enhance the fully diluted NAV for the remaining Shareholders. The Board therefore intends that purchases of ordinary shares would only be made at prices below the NAV.

The Company would, within guidelines set from time to time by the Board, make either a single purchase or a series of purchases, when market conditions are suitable, with the aim of maximising the benefits to Shareholders. The Board considers that it will be most advantageous to Shareholders for the Company to be able to make such purchases as and when it considers market conditions to be favourable and therefore does not propose to set a timetable for making any such purchases.

Resolution 13 provides that the number of ordinary shares that could be purchased does not exceed a maximum of 18,478,287 (representing approximately 14.99 per cent of the Company's issued ordinary share capital as at 5 May 2020). The resolution also sets the maximum price that may be paid by the Company at the higher of 105 per cent of the average middle-market quotation for an ordinary share on the five business days immediately preceding the date of the relevant purchase or the higher of the last independent trade and the highest independent bid. The minimum price to be paid will be 5p per ordinary share (being the nominal value per share).

The authority granted under **Resolution 13** will last until the end of the next Annual General Meeting of the Company or until the whole of the relevant 14.99 per cent has been utilised, whichever is the earlier.

Under the Act, the Company is allowed to hold its own ordinary shares in treasury following a buy back, instead of cancelling them. This gives the Company the ability to re-sell treasury shares quickly and cost effectively and provides the Company with additional flexibility in the management of its capital base. Shares held in treasury have their voting and dividend rights suspended. If the Directors exercise the authority conferred by **Resolution 13** the Company will have the option of either cancelling or holding in treasury any shares purchased in the market. The Directors will decide at the time of purchase which option to pursue. The Directors will have regard to any guidelines issued by investor groups at the time of any such purchase with respect to the holding or resale of treasury shares. As at 5 May 2020, the Company held 79,504,235 ordinary shares in treasury.

Recommendation

The formal Notice of the AGM is set out on pages 5 and 6 of this document.

The Board believes that the passing of the **Resolutions 1–13** should help to promote the success of the Company and is in the best interests of the Company and its Shareholders as a whole. The Directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 205,074 shares, representing approximately 0.17 per cent of the total voting rights of the issued ordinary share capital of the Company.

If you are an ordinary Shareholder and would like to vote on the resolutions, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the notice of AGM. You are therefore urged to return the enclosed form of proxy without delay.

Yours faithfully

Robert Kyprianou
Chairman

Changes to entries on the relevant register of securities after 6.30pm on 26 May 2020 will be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the Meeting or any adjourned Meeting.
2. An ordinary Shareholder entitled to attend and vote at the Meeting may appoint one or more proxies (who need not be a member of the Company) to exercise all or any of his or her rights to attend, speak and vote at the Meeting. An ordinary Shareholder can appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attaching to different shares held by the ordinary Shareholder. If two or more valid proxy forms are delivered or received in respect of the same share for use at the same Meeting, the one which was last sent shall be treated as replacing and revoking the others in their entirety. If the Company is unable to determine the one which was last sent, the one which is last received shall be so treated. If the Company is unable to determine either which is last sent or which is last received, none of them shall be treated as valid in respect of that share. Every ordinary Shareholder who is present in person at a general meeting of the Company, and every person (not being himself or herself a member entitled to vote) who is present as proxy for a member entitled to vote, shall have one vote on a show of hands. On a poll, every ordinary Shareholder who is present in person or by proxy shall have one vote for every share held by him or her.
3. A proxy does not need to be a member of the Company but must attend the Meeting to represent you. Due to the Meeting being a 'closed door' meeting, you are encouraged to appoint the Chairman of the Meeting as your proxy. Your proxy will vote as you instruct and must attend the Meeting for your vote to be counted. Details of how to appoint a proxy using the proxy form are set out in the notes to the proxy form.
4. A form of proxy is enclosed. To be valid the form of proxy must be completed and delivered (together with any authority under which it is executed or a copy of the authority certified notari ally or in some other way approved by the Directors) to the office of the Registrar to the Company not less than 48 hours before the time appointed for holding the Meeting (excluding non-working days). The form of proxy should be returned to Equiniti Limited at the address given on the proxy form.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual which can be viewed at www.euroclear.co.uk. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID number RA19) by not later than 48 hours before the time appointed for the holding of the Meeting (excluding non-working days i.e. by 26 May 2020).

- For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
5. The attendance at the Meeting of members and their proxies and representatives is understood by the Company to confirm their agreement to receive any communications made at the Meeting.

Where you have appointed a proxy using the hard copy proxy form and would like to change the instructions using another hard copy proxy form, please contact Equiniti Limited Aspect House Spencer Road Lancing West Sussex BN99 6DA. The deadline for receipt of proxy appointments (see above) also applies in relation to amended instructions. Where two or more valid separate appointments of proxy are received in respect of the same share in respect of the same Meeting, the one which is last sent shall be treated as replacing and revoking the other or others.
 7. As at 5 May 2020 (being the latest business day prior to the publication of this Notice), the Company's issued share capital consists of 202,775,000 ordinary shares of 5p each of which, 79,504,235 shares are held in Treasury. Therefore the total voting rights in the Company is 123,270,765.

It is no longer necessary to nominate a designated corporate representative.
 10. Pursuant to section 319A of the Act, the Company must cause to be answered at the Meeting any question relating to the business being dealt with at the Meeting which is put by a member attending the Meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered or if to do so would involve the disclosure of confidential information.

The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditors no later than the time it makes its statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required to publish on its website.
